

Happy
Valentine's
Day

"Love and kindness are never wasted.
They always make a difference."
—Helen James

These drawings were created by elementary school students at the Boys & Girls Club location in Staunton, when we asked them to draw their favorite food. A network partner, the Boys & Girls Club provides after-school enrichment activities and healthy snacks for local children.

Your Love Fills Hearts and Plates

Blue Ridge Area
FOOD BANK

Headquarters
P.O. Box 937
Verona, VA 24482

This Valentine's Day, your generosity is spreading love and nourishment to children living with hunger. Every meal you provide does more than fill a plate; you fill hearts with hope, warmth, and security—essentials for every child to thrive.

Thanks to you, local parents can bring home enough groceries for their families, allowing their children to enjoy the simple joys of being kids instead of worrying about hunger pains. Your support is a testament to the power of community and love, ensuring that everyone has enough nutritious food to eat.

We are grateful for your unwavering support of the Food Bank and your community. Your kindness is proof that, together, we can set a place at the table for neighbors of all ages.

To be sure you receive periodic updates sharing the impact of your generosity, visit www.brafb.org and sign up for our newsletters.

With heartfelt gratitude,
